TN Govt plans sports-based scientific education

Chennai, May 29: The Tamil Nadu government will take steps to provide scientific education and sports-based training jointly through the School Education Department and Sports Development Department to protect the younger generation from drug addiction and improve their physical and mental well-being during their school years. This was announced by Public Works and Sports Development Minister Aadhav Arjuna after a consultation meeting held at the Secretariat. The Minister said Tamil Nadu Chief Minister C Joseph Vijay has been implementing various long-term initiatives for the development of the State and has been taking strong measures through the police department to curb drug abuse and safeguard the youth. He said the government is now focusing on giving equal importance to sports along with education from the school level itself. He further stated that scientific methods are being planned to improve students' physical and mental health so that they can focus better

on studies and excel academically. As a first step, physical education teachers in schools will work in coordination with the Sports Development Authority of Tamil Nadu to identify talented students and provide them sports science-based training. The Minister noted that children from fishing communities naturally excel in swimming, while children from farming and labour backgrounds often possess endurance and athletic abilities suitable for long-distance events. Such students will be identified and trained to participate in national and international competitions. He also highlighted that students who participate or win in national and international sporting events can benefit from the 3 percent sports quota in government and public sector employment opportunities. School Education Minister Raj Mohan who was part of the meeting said Chief Minister C. Joseph Vijay has been giving special attention to the development of the younger generation and added that the initiative aims to create physically and mentally strong students through scientific education integrated with sports activities. Additional Chief Secretary Gagandeep Singh Bedi, Additional Chief Secretary Dr. S. Vijayakumar, Additional Chief Secretary Pradeep Yadav, Additional Chief Secretary Chandra Mohan, Secretary Sajjan Singh R. Chavan, Member Secretary J. Meghanath Reddy and other senior officials participated in the consultation meeting. photo caption: Public Works and Sports Development Minister Aadhav Arjuna chaired a consultation meeting at the Secretariat, in the presence of School Education, Tamil Development and Information Minister Rajamohan, to discuss joint action plans by the School Education and Sports Development Departments as part of the initiative to create a drug-free Tamil Nadu. Senior government officials from various departments participated in the meeting.

BeeOne launches AI-powered 10-minute assessment platform

New Delhi, May 29: BeeOne has launched BeeOne Tests, an AI-driven online assessment platform designed to deliver quick, curriculum-aligned Math and English diagnostics for students in Grades 1 to 6. The platform offers 10-minute proficiency tests mapped to leading global curricula - including PYP IB, MYP 1 IB, US Common Core, CBSE, Australian, New Zealand, Canadian, Singapore and UK standards - to help parents, teachers, tutors and schools identify learning gaps early and provide targeted support. BeeOne Tests focuses on core foundational

skills such as reading comprehension, vocabulary, grammar, number sense and problem-solving. According to the company, regular short-form testing helps educators and families pinpoint strengths and weaknesses and plan focused interventions. Speaking at the launch, Mr. Shidhar Venkat, CEO of The Akshaya Patra Foundation, underlined the role of accessible educational technology in improving foundational learning outcomes. He

have received strong educator endorsements, with ratings of 4.9/5 on Teachers Pay Teachers and 4.9/5 on Google Reviews. BeeOne positioned the new product as a cost-effective alternative to traditional assessment systems. Pricing begins at Rs 25 (approximately \$0.25) per pupil per chapter, with bundled school-wide packages and additional savings available. Individual topic workbooks on Grade1to6.com start from Rs 100 (\$1), while an annual subscription is priced at Rs 2,000 (\$25). The company said BeeOne Tests supports multiple stakeholders: parents can monitor progress, teachers can plan differentiated instruction, tutors can design targeted lessons and track improvement, students can build confidence and readiness, and schools can use the platform for benchmarking, formative and summative assessments, entrance evaluations and placement tests. BeeOne stated the assessments are engineered to support lesson plans and meet diverse international standards while offering a user-friendly digital experience and measurable outcomes for schools and families. The platform is available at www.grade1to6.com.
